

# October, November & December 2022 Training Calendar

## Rockingham County Partnership for Children

### Early Education Services

**Registrations after the deadline will not be accepted.**

To register for any of these sessions, email Cynthia Langston at [cynthial@rockinghamkids.org](mailto:cynthial@rockinghamkids.org) with name, email address and facility name for each participant. For payment options; call with credit card by phone, send check or money order by mail, or drop off cash payment, money order, or check in the secured dropbox.

For online sessions, you will be emailed a pre-survey to complete before the training.

Following the training, you will be emailed a post-survey to be completed in order to receive your certificate.

Your active participation in the LIVE Zoom sessions will be required.

Please contact Cynthia at 336-342-9676 if you have any registration questions.

\*For workshop cancellations, please call or email Cynthia Langston by 12noon on the day of the training to receive credit for a future training\*

10/6/22

### **ITERS-R: An In-Depth Look Into Items**

Learning the scale for the big day is one thing, but maintaining that high level of quality for every other day is what it's really about! Participants will take an in-depth look and learn to break down the Infant Toddler Environment Rating Scale into manageable parts, while discussing scoring, indicators, and rating scale terminology. We will also discuss low scoring items and strategies to correct them through practice scenarios. Participants will have opportunities for group work and be able to ask questions. Participants will be ready to return to their programs more confident and informed about the ITERS-R.

10/13/22

### **Special Needs**

Need to know more about special needs in childcare? Then this workshop is for you! Come learn information on common "special needs" among children and your role in providing general care and support.

10/17/22 & 10/18/22

### **NC Foundations for Early Learning & Development (NC FELD)**

Participants must attend both sessions and will need a copy of the Foundations book for class. This 5 hour course will provide participants with an introduction to Foundations, North Carolina's Early Learning and Development expectations, how they are structured, and how to implement them in early childhood settings. Participants will construct the knowledge base necessary to support children in their learning development by embedding the expectations in daily classroom planning and practice.

10/27/22

### **Emergency Preparedness and Response in Childcare( EPR)**

It is very important that every effort is made to ensure your child care facility is prepared and your staff are ready to respond appropriately during a disaster. Participants in this workshop will establish a plan and learn how to be prepared for a variety of emergency situations. This training requires both in class and out of class assignments in which an in-depth emergency preparedness plan is developed.

11/1/22

### **Why Questions Matter: Improving Interactions, Conversations, and Creating Fun and Memorable Experiences for School Age Children**

Do you have a desire to enhance the fun, connection, and interactions in your classroom? Do you have a willingness to grow as a professional and make a difference in the lives of others? If you'd like to deepen classroom conversations, and improve the connections with your students, come ready to learn "Why Questions Matter." After attending this learning event, participants will be able to describe the importance of meaningful questions, modify closed-ended questions to open-ended questions, and demonstrate questioning strategies for use in their school-age settings.

11/10/22

### **Staying On Track**

Why are daily classroom routines and schedules so important in the daily lives of teachers and young children? How does following a consistent daily schedule with embedded routines support the social and emotional development of the children in your class? What can we do to help children 'stay on track' as they move through a typical preschool day? Through this training, you will receive answers to these questions and develop a deeper understanding of the role of schedules and routines in supporting healthy social-emotional development for all children.

11/17/22

### **SIDS**

This workshop addresses safe sleep practices and ways to reduce the risk of SIDS; including information on the NC Law regarding safe sleep practices in child care programs. This training meets the licensing requirement for training on SIDS.

11/21/22

### **Math: More Than Numbers**

Participants will learn how to introduce math concepts to children in a fun, engaging and developmentally appropriate way. They will participate in activities and learn strategies that will involve children in meaningful math experiences. Participants will explore the components of mathematics, and learn how to teach the components for preschoolers. Participants will learn new ways of setting up the learning environment to promote mathematical skills.

12/5/22

### **Ready, Set, Relationship: Creating a School Family**

Based on the popular Conscious Discipline methodology, come learn how to create a successful "school family" climate within your classroom or school. This fundamental shift in classroom management will help create an environment based on connections and intrinsic motivation. This training will teach you how to implement new classroom strategies through routines, rituals and structures by leaving behind coercion, fear, and external rewards.

12/8/22

### **Childcare Directors' Meeting: DCDEE and Early Childhood Program Updates**

Directors and administrators will hear current updates and information from DCDEE, Partnership, and childcare partnering agencies that will help strengthen and support childcare program management and professionalism.

12/13/22

**Journaling: Your Words, Your Story**  
How can early educators relieve stress? One way is through journaling! Journaling has many misconceptions and myths. Come explore this unique workshop that dismantles the myths and explains all the benefits of journaling, using your words and your feelings, while laughing. This workshop will get you "on your feet and moving" and you will have a great time exploring and learning how to become less stressed, through your stress. Participants will receive a free journal and pen with this workshop and learn how to write your way to happiness!

12/20/22

### **Medication Administration**

The number of children requiring medication to treat illness or to accommodate special health care needs such as epilepsy, diabetes, attention deficit hyperactivity disorder and asthma is increasing. The topic of medication administration is very serious and it is essential for those giving medication to be knowledgeable about how to properly give them to children in their care.

# RCPC's Early Education Services Workshop Registration Policies

**Pre-registration by the published deadline is required for all Early Education Services (EES) workshops whether there is a fee or not.** We suggest that you call our office to ensure that enough spaces are available in the workshop that you would like to attend prior to sending payment. **Spots cannot be reserved without payment. Therefore, your registration is not confirmed until payment is received.** There are several options for registering for workshops:

- Call Cynthia Langston at 342-9676 ext. 201 to pay with a credit card.
- Fax in the registration form with credit card payment information to 342-9962.
- Payment of either cash, check, or money order may be left in the secured drop box by the front door. Our office address is 7572 NC Hwy 87, Reidsville, NC. RCPC is not able to keep cash on hand so you must provide correct change when cash is used to pay for workshops.
- Mail this registration form along with check, money order, or credit card payment information to:

**RCPC**

**Attn: Workshop Registration**

**P. O. Box 325**

**Wentworth, NC 27375**

**Returned Checks** - In the event a check is returned for insufficient funds, RCPC will charge a return-check fee based on the fee charged to RCPC by the bank. This fee and the check amount must then be paid in cash or with a money order. No further checks will be accepted from the individual or business until the charges have cleared.

**Registration Deadlines** - Training registration deadlines are one week prior to the workshop unless otherwise noted. Payment must be received by 5:00 pm on the deadline. Registrations will not be accepted after the deadline. The minimum number of participants required to hold a workshop is typically 1/2 of the maximum capacity. If registration does not meet this requirement by the deadline, the workshop may be cancelled and credit for a future workshop will be issued to those registered.

**Training Credit Vouchers** – If using a training credit voucher, the original voucher must be presented at the time of registration. Vouchers can be hand delivered or mailed to RCPC. Faxed copies of vouchers cannot be accepted. Vouchers will not be accepted after their expiration date. Facilities are welcome to use the voucher towards any staff members' registration.

**Waiting List** - If a workshop is full prior to the registration deadline, a waiting list will be created. If cancellations are made, we will contact individuals on the waiting list in the order their registrations were received to offer a slot in the workshop. Anyone enrolled in a workshop from the waiting list will have 24 hours to pay the registration fee to confirm their space.

**Registration Cancellations** - Individuals who are registered for workshops and need to cancel their registration must call our office by 12:00 pm on the day of the training in order to receive a credit for future workshops. No refunds will be given.

**Attendance** – Masks will be **optional** for participants attending in-person workshops. To maintain the health and safety of all attendees, basic COVID screening questions will be asked upon participant sign in. Other COVID safety protocols may be incorporated if deemed necessary by RCPC staff. For zoom training sessions, active participation in the LIVE Zoom sessions will be required. Plan to log on a few minutes prior to the workshop's start time to allow time for participant check-in.

**Late Arrivals** – Participants arriving more than 15 minutes late or leaving more than 15 minutes early will not be given credit. This applies for both Face to Face and Virtual workshops.

**Materials Given** - On occasion, professional resources or classroom materials may be given to participants as door prizes or as a part of participation in the session. It is the perspective of the Early Education Services (EES) that the materials should belong to the person or organization that paid the registration fee. In the event that the facility paid the fee, the materials should be made readily available for use by the staff person(s) who attended the session.

**Certificates** - Always keep a copy of your certificates for your own records in addition to giving one to your employer. There will be a \$5 fee for RCPC staff to provide a replacement certificate for trainings attended within the last year only.

**Inclement Weather** – If Rockingham County Schools are closed due to inclement weather on the same day that a workshop is scheduled, the workshop will be postponed and rescheduled later.
